Forward, Together!

Serendipity brings Team McDow & Forward Maryland Together

McDow has amassed over 20 years' experience advocating for rural and urban business owners and fighting for the indigent.

Monrovia, MD, September 4, 2023 — The Committee To Elect Stephen McDow has affiliated with the Forward Maryland. The two came together to affect change in the state of Maryland and the United States. McDow already outlined 22 policy objectives, 18 already framed for resolution, and wrote two resolutions. McDow's objectives range from opening up the primary system in Maryland, developing a new inclusive trade deal with Africa and South America, creating a Marijuana Safe Law, as well as increasing funding for Law Enforcement and providing tax incentives and breaks for small businesses \$50 million and under. These ideas didn't come from him; rather, they came from listening sessions he had during the campaign, before the campaign while staffed at the Gaithersburg-Germantown Chamber of Commerce, and the Montgomery County Medical Society/MedChi and as a co-operator at the National Co-operative Business Association/CLUSA. McDow has amassed over 20 years' experience advocating for rural and urban business owners and fighting for the indigent.

"I want to thank the Forward Party for endorsing my campaign to represent the great people of Maryland's 6th Congressional District. The Forward Party's commitment to supporting candidates who embrace pragmatic solutions and fresh ideas aligns perfectly with my vision for our district. I am honored to be the candidate the Forward Party has chosen to champion these principles."
